Company Overview

Established in 2018 in Talawade, Pune, under the banner of Kenekar Engineers, we at Kenekar Engineers are dedicated to delivering top-notch products at competitive prices. Recognizing the demanding standards of quality prevalent in both national and international markets, we have consistently endeavoured to meet and exceed expectations.

Driven by a clear vision, our proficient team is continuously engaged in creating innovative solutions to ensure the utmost satisfaction for our clientele. Our commitment lies in perpetuating our journey of triumph while embracing the boundless opportunities within our industry. At Kenekar Engineers, we stand poised to uphold our reputation for excellence and to pioneer new frontiers in our domain.

Company History

MISSION

At Kenekar Engineers, we're dedicated to delivering innovative, high-quality solutions for construction materials and precision component manufacturing. Our goal is to empower industries, ensuring safety, efficiency, and enduring structures. With a relentless focus on quality and customer satisfaction, we aim to be the preferred partner, driving growth and prosperity in the sectors we serve.

Kenekar Engineers aims to emerge as a global leader across diverse manufacturing sectors. We envision pioneering advancements in technology, quality, safety, and sustainability. Our goal is to establish our products as symbols of excellence and reliability worldwide, fostering safer and more resilient industries. Driven by innovation, customer-centric solutions, and environmental consciousness, we strive for a future where our contributions transcend boundaries, enriching industries and communities alike.

VISSION

Product Portfolio

Engineering Structure
Fabrication

Hopper & Ducts

Hand Railings

Base frames with milling

Additional Specialised Fabrication

Heavy Structural Components
Such As Beams, Columns, Bracing Etc

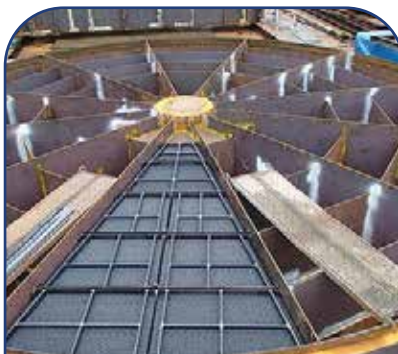

Platforms

Chimney

Pressure Part
Supports Etc

Air Pre-Heater
Assemblies (APH)

Vapour & Non
IBR Tanks

Manufacturing Capabilities

KENEKAR ENGINEERS

Machine	MAKE	QUANTITY	SPECIFICATION/ CAPACITY
Magnet Base Drill Machine	KPT	01 Nos	32 mm
Welding Transformer	Jet Arc	02 Nos	400 Amp
Co2 Welding Machine	Super Weld	03 Nos	400 Amp
Chap Saw Cutting Machine	Dewalt/PMT	01 Nos	
AG 7 Grinder	Bosh/ KPT/Hitachi	04 Nos	
AG 4 Grinder	Dewalt	02 Nos	
Benswa Cutting Machine	Hemraj	01 Nos	
Air Compressor	Sony/Elgi	01 Nos	
Pug Cutting M/c	ESSAB	01 Nos	
Portable Electrode Drying Ovens		01 Nos	
Pillar Type Drilling Machine	Satya Prakash	01 Nos	
Power Press Machine (100 tan)		01 Nos	
Profile Cutting Machine	Star Cut	01 Nos	

Quality Policy

At Kenekar Engineers, we are unwaveringly committed to delivering products and services of the utmost quality, consistently surpassing the expectations of our valued customers and stakeholders. Our Quality Management System is deeply rooted in a philosophy of perpetual enhancement, strict adherence to regulatory standards, and a tireless pursuit of excellence across all facets of our operations. Cultivating a culture of quality consciousness among our workforce, we champion teamwork, innovation, and individual accountability, ensuring not only customer satisfaction but also our enduring success.

Quality Objectives:

Continuous Improvement:

Strive for ongoing enhancement of processes and products to elevate quality standards and exceed customer expectations.

Regulatory Compliance:

Ensure rigorous adherence to all relevant regulations and industry standards to maintain the integrity and legality of our operations.

Customer Satisfaction:

Prioritize customer needs and satisfaction by delivering high-quality products and responsive service, aiming to surpass their expectations.

Empowered Workforce:

Empower employees through training and support to take ownership of quality, fostering a culture of accountability and excellence.

Supplier Collaboration:

Cultivate strong partnerships with suppliers to guarantee the consistent provision of top-tier materials and components, enhancing overall product quality.
